

# *Poodle Variety's* **2009 TOP BREEDERS**

The following records are based on all American Kennel Club Awards issues published during 2009 (dated January through December 2009), incorporating all new Poodle champions recognized by AKC during this period. Please note that some of these dogs earned the qualifying points for their titles in late 2008, while others which won their titles towards the end of 2009 had not yet been published by AKC and will be included in next year's statistics.

Following are the top breeders based on the AKC published records, with a minimum of three new AKC champions during this time period. If any of the champions were bred by this/these breeder(s) alone, without additional co-breeders, the number is in parentheses. When there is no figure in parentheses, all the champions were co-bred with one or more other breeders.
